

STH-UPDATE

WELCOME BACK

We hope all golfers have managed to play a few games of golf now that the courses have re-opened. The feedback received from our Season Ticket Holders (STH) has been extremely positive and thanks go to Darren McLaughlan and his team for the excellent presentation of the courses.

Darren and his team would like to thank our STH for their efforts made in repairing pitch marks since returning to the Links as this has greatly aided the quality of the putting surfaces on both the 1562 and Broomfield.

THANK YOU

We also express our sincere thanks to the volunteers who have assisted Montrose Golf Links so far with duties such as check in, marshalling, divot repair, painting and litter pick up.

If you wish to assist our Greens Staff with volunteering between 10 am and 1 pm on a Monday and/or Thursday then please let Claire know by emailing secretary@montrosegolfllinks.com or call 01674 672932.
