

COVID-19 Rules of Play

UPDATE 07 14th July 2020

SATURDAY 4 BALL PLAY

During this COVID 19 pandemic we have decided to experiment with Saturday Tee Times.

We have been using 3-ball groups for golf (27th June through to 18th July) and as of Saturday 25th July we will accommodate 4-ball groups for a period of four weeks.

All data recovered will be analysed and discussed with the local clubs to ascertain what suits the business and STH's in respect to pace of play.

- Tee Intervals:- 9 minutes
- Golf Groups:- maximum of 4..minimum of 3
- Check-In:- players must check in at pro shop before & after golf so that we can collect the playing times

1. There is an allowance for some pre-booked visitor times (these were booked prior to Covid-19).
2. We understand that people may have to cancel their golf tee time at late notice, if this occurs and the tee-time has only two players the starter will ask the surrounding groups to mix-up so that golf is played in three (or) fours.

We remind you all that one member of your group must report your finishing tee time to the Professional so that proper statistics can be obtained.
